

HENRY CORNELIUS AGRIPPA,
of Geomancy.

G eomancy is an Art of Divination, whereby the judgement may be rendred by lot, or destiny, to every question of everything whatsoever, but the Art hereof consisteth especially in certain points whereof certain figures are deducted according to the reason or rule of equality or inequality, likeness or unlikeness; which Figures are also reduced to the Coelestiall Figures, assuming their natures and proprieties, according to the course and forms of the Signes and Planets; notwithstanding this in the first place we are to consider, that whereas this kinde of Art can declare or shew forth nothing of verity, unless it shall be radicall in some sumblime vertue, and this the Authours of this Science have demonstrated to be two-fold: the one whereof consists in Religion and Ceremonies; and therefore they will have the Projectings of the points of this Art to bee made with signes in the Earth, wherefore this Art is appropriated to this Element of Earth, even as Pyromancy to the fire, and Hydromancy to the Element of Water: Then whereas they judged the hand of the Projector or Worker to me most powerfully moved, and directed to the terrestriall spirits; and therefore they first used certaine holy incantations and deprecations, with other rites and observations, provoking and alluring spirits of this nature hereunto.

Another power there is that doth direct and rule this Lot or Fortune, which is the very soule it selfe of the Projector, when he is carried to this work with some great egresse or his owne desire, for this Art hath the same Radix with the Art of Astrologicall Questions: which also can no otherwise bee verified, unlesse with a constant and excessive affection of the Querent himselfe: Now then that wee may proceed to the Praxis of this Art; first it is to be knowne, that all Figures upon which this whole Art is founded are only sixteen, as in this following Table you shall see noted, with their names.

Table 1: The Geomantic Figures

<i>The Greater Fortune</i> * * * * * *	<i>The lesser Fortune</i> * * * * * *	<i>Solis</i> 
<i>Via</i> * * * *	<i>Populus</i> * * * * * * * *	<i>Lunae</i> 
<i>Acquisitio</i> * * * * * *	<i>Laetitia</i> * * * * * * *	<i>Jovis</i> 
<i>Puella</i> * * * * *	<i>Amissio</i> * * * * * *	<i>Veneris</i> 
<i>Conjunctio</i> * * * * * *	<i>Albus</i> * * * * * * *	<i>Mercurii</i> 
<i>Puer</i> * * * * *	<i>Rubeus</i> * * * * * * *	<i>Martis</i> 
<i>Carcer</i> * * * * * *	<i>Tristitia</i> * * * * * * *	<i>Saturni</i> 
<i>Dragons head</i> * * * * *	<i>Dragons taile</i> * * * * *	 

Now we proceed to declare with what Planets these Figures are distributed; for here-upon all the propriety and nature of Figures and the judgement of the whole Art dependeth: Therefore the greater and lesser Fortune are ascribed to the Sun; but the first or greater Fortune is when the Sun is diurnall, and posited in his dignities; the other, or lesser

Fortune is when the Sun is nocturnall, or placed in lesse dignities: *Via*, and *Populus* (that is, the Way, and People) are referred to the Moone; the first from her beginning and encreasing, the second from her full light and quarter decreasing: *Acquisitio*, and *Laetitia* (which is Gaine, Profit; Joy and Gladness) are of Jupiter: But the first hath Jupiter the greater Fortune, the second the lesse, but without detriment: *Puella*, and *Amissio* are of Venus; the first fortunate, the other (as it were) retrograde, or combust: *Conjunctio* and *Albus* are both Figures of Mercury, and are both good; but the first the more Fortunate: *Puer*, and *Rubeus* are Figures ascribed to Mars; the first whereof hath Mars benevolent, the second malevolent: *Carcer*, and *Tristitia* are both Figures of Saturn and both evill; but the first of the greater detriment: The Dragons head, and Dragons tayle doe follow their own natures.

And these are the infallible comparisons of the Figures, and from these wee may easily discern the equality of their signes; therefore the greater and lesser Fortunes have the signes of *Leo*, which is the House of the Sun: *Via* and *Populus* have the signe of *Cancer*, which is the House of the Moone: *Acquisitio* hath for his signe *Pisces*; and *Laetitia*, *Sagittary*, which are both the Houses of Jupiter: *Puella* hath the signe of *Taurus*, and *Amissio* of *Libra*, which are the Houses of Venus: *Conjunctio* hath for its signe *Virgo*, and *Albus* the signe *Gemini*, the Houses of Mercury: *Puella* and *Rubeus* have for their signe *Scorpio*, the House of Mars:¹ *Carcer* hath the signe of *Capricorne*, and *Tristitia* *Aquary*, the Houses of Saturn: The Dragons head and taile are thus divided, the head to *Capricorne*, and the Dragons taile adhereth to *Scorpio*; and from hence you may easily obtaine the triplicities of these signs after the manner of the triplicities of the signes of the Zodiack: *Puer* therefore, both Fortunes, and *Laetitia* do govern the fiery triplicity; *Puella*, *Conjunctio*, *Carcer*, and the Dragons head the earthly triplicity: *Albus*, *Amissio*, and *Tristitia*, doe make the Airy triplicity: and *Via*, *Populus*, and *Rubeus*, with the Dragons taile, and *Acquisitio* do rule the watry triplicity, and this order is taken according to the course or manner of the signes.

But if any one will constitute these triplicities according to the natures of the Planets, and the Figures themselves, let him observe this Rule, that *Fortuna major*, *Rubeus*, *Puer*, and *Amissio* doe make the fiery triplicity: *Fortuna minor*, *Puella*, *Laetitia*, and *Conjunctio* triplicity of Ayre: *Acquisitio*, the Dragons taile, *Via*, and *Populus* doe governe the watry triplicity; and the earthly triplicity is ruled by *Carcer*, *Tristitia*, *Albus*, and the Dragons head. And this way is rather to be observed then the first which we have set forth; because it is constituted according to the Rule and manner of the signes.

This order is also far more true and rationall then that which vulgarly is used, which is described after this manner: of the Fiery triplicity are, *Cauda*, *Fortuna minor*, *Amissio*, and *Rubeus*: of the Airy triplicity are, *Acquisitio*, *Laetitia*, *Puer*, and *Conjunctio*: of the watry triplicity are, *Populus*, *Via*, *Albus*, and *Puella*: And *Caput*, *Fortuna major*, *Carcer*, and *Tristitia* are of the earthly triplicity.

They doe likewise distribute these Figures to the twelve signes of the Zodiack, after this manner, *Acquisitio* is given to *Aries*; *Fortuna*, both *major* and *minor* to *Taurus*; *Laetitia* to the signe *Gemini*; *Puella* and *Rubeus* to *Cancer*; *Albus* is assigned to *Leo*, *Via* to *Virgo*; the Dragons head, and *Conjunctio* to *Libra*; *Puer* is submitted to *Scorpio*; *Tristitia*

1. This should be *Puer* and *Rubeus*, with *Puer* assigned to *Aries*, as is confirmed by the following sentences.

and *Amissio* are assigned to *Sagitary*; the Dragons taile to *Capricorne*; *Populus* to *Aquarius*; and *Carcer* is assigned the signe *Pisces*.

And now we come to speake of the manner of projecting or setting downe these Figures, which is thus; that we set downe the points according to their course in four lines, from the right hand towards the left, and this in four courses: There will therefore result unto us foure Figures made in foure severall line; which foure Figures are wont to be called *Matres*: which doe bring forth the rest, filling up and compleating the whole Figure of Judgement, an whereof you may see heere following.

Table 2: Four Matres or Original Figures (Example)

Of these foure *Matres* are also produced foure other secondary Figures, which they call *Filia*, or Succedents, which are gathered together after this manner; that is to say, by making the four *Matres* according to their order, placing them by course one after another; then that which shall result out of every line, maketh the Figure of *Filiae*, the order whereof is by descending from the superior points through the mediums to the lowest: as in this example.¹

1. That is to say, the four *Matres* are placed in a single row as in Table 3. The dots in the top row of the figures are used to form the first *Filia*: The top row of the first *Matre* becomes the top row of the first *Filia*; the top row of the second *Matre* becomes the *second* row of the first *Filia*; the top row of the third *Matre* becomes the *third* row of the first *Filia*, and the top row of the last *Matre* becomes the *bottom* row of the first *Filia*. The second, third and fourth rows of the *Matres* are similarly used to form the remaining *Filiae*.

And these 8 Figures do make 8 Houses of Heaven, after this manner, by placing the Figures from the left hand towards the right: as the foure *Matres* do make the foure first Houses, so the foure *Filiae* doe make the foure following Houses, which are the fift, sixth, seaventh, and eighth: and the rest of the Houses are found after this manner; that is to say, out of the first and second is derived the ninth; out of the third and fourth the tenth; out of the fifth and sixth the eleventh; and out of the seventh and eighth the twelfth: By the combination or joyning together of the two Figures according to the rule of the even or uneven number in the remaining points of each Figure. After the same manner there are produced out of the last foure Figures; that is to say, of the ninth, tenth, eleventh, and twelfth, two Figures which they call *Coadjutrices* or *Testes*; out of which two is also one constituted, which is called the Index of the whole Figure, or thing Queried: as appeareth in this example following.¹

And this which we have declared is the common manner observed by Geomancers, which we do not altogether reject neither extoll; there this is also to be considered in our judgements: Now therefore I shall give unto you the true Figure of Geomancy, according to the right constitution of Astrologicall reason, which is thus.

As the former *Matres* doe make the foure Angles of an House, the first maketh the first Angle, the second the second Angle, the third maketh the third Angle, and the fourth the fourth Angle; so the foure *Filiae* arising from the *Matres*, doe constitute the foure succedent Houses; the first maketh the second House, the second the eleventh, the third the eighth, and the fourth maketh the fifth House: the rest of the Houses, which are Cadents are to be calculated according to the Rule of their triplicity; that is to say, by making the ninth out of the fourth² and fifth, and the sixth out of the tenth and second, of the seventh and eleventh the third, and of the fourth and eighth the twelfth.

And now you have the whole Figure of true judgement constituted according to true and efficacious reasons, whereby I shall shew how you shall compleat it: the Figure which shall bee in the first house shall give you the signe ascending, which the first Figure sheweth; which being done, you shall attribute their signes to the rest of their Houses,

1. See illustration next page.

2. Should read “first”. By this alternate method, the Cadent figures are calculated by combining the figures according to the elemental triplicity of the zodiac signs that naturally correspond to each house. E.g., Aries to the first house, Taurus to the second, etc. Thus the ninth house, Sagittarius, is derived from the first and fifth houses, corresponding to Aries and Leo. The astrological chart on page 7 reflects this method, and not the “Theme” shown on the page 6.

A Theme of Geomancy.

according to the order of the signes: then in every House you shall note the Planets according to the nature of the Figure: then from all these you shall build your judgement according to the signification of the Planets in the signes and Houses wherein they shall be found, and according to their aspects among themselves, and to the place of the querent and thing quosited; and you shall judge according to the natures of the signes ascending in their Houses, and according to the natures of proprieties of the Figures which they have placed in the severall Houses, and according to the commixture of other Figures aspecting them: The Index of the Figure which the Geomancers for the most part have made. how it is found in the former Figure.

But here we shal give you the secret of the whole Art, to find out the Index in the subsequent Figure, which is thus: that you number all the points which are contained in the lines of the projections, and this you shall divine by twelve: and that which remaineth project from the Ascendant by the several Houses, and upon which House there falleth a final unity, that Figure giveth you a competent Judgement of the thing quesited; and this together with the significations of the Judgements aforesaid. But if on either part they shall be equal, or ambiguous, then the Index alone shall certifie you of the thing quesited. The example of this Figure is here placed.

It remaineth now, that we declare, of what thing and to what House a Question doth appertain. Then, what every Figure doth shew or signifie concerning all Questions in every House.

First therefore we shall handle the significations of the Houses; which are these.

The first House sheweth the person of the Querent, as often as a Question shall be proposed concerning himself of his own matters, or any thing appertaining to him. And this House declareth the Judgement of the life, form, state, condition, habit, disposition, form and figure, and of the colour of men. The second House containeth the Judgement of substance, riches, poverty, gain and loss, good fortune and evil fortune: and of accidents in substance; as theft, loss or negligence. The third House signifieth brethren, sisters, and Collaterals in blood: It judgeth of small journeys, and fidelities of men. The fourth House signifies the fathers and grandfathers, patrimony and inheritance, possessions, buildings,

fields, treasure, and things hidden: It giveth also the description of those who want any thing by theft, losing or negligence. The fifth House giveth Judgement of Legats, Messengers, Rumours, News; of Honour, and of accidents after death: and of Questions that may be propounded concerning women with childe, or creatures pregnant. The sixth House giveth Judgement of infirmities, and medicines; of familiars and servants; of cattel and domestick animals. The seventh House signifies wedlock, whoredom, and fornication; rendreth Judgement of friends, strifes, and controversies; and of matters acted before Judges. The eighth hath signification of death, and of those things which come by death of Legats, and hereditaments; of the dowry or portion of a wife. The ninth House sheweth journeys, faith, and constancie; dreams, divine Sciences, and Religion. The tenth House hath signification of Honours, and of Magisterial Offices. The eleventh House signifies friends, and the substance of Princes. The twelfth House signifies enemies, servants, imprisonment, and misfortune, and whatsoever evil can happen besides death and sickness, the Judgements whereof are to be required in the sixth House, and in the eighth.

It rests now, that we shew you what every Figure before spoken of signifieth in these places; which we shall now unfold.

The greater Fortune. *Fortuna major* being found in the first House, giveth long life, and freeth from the molestation of Diseases: it demonstrateth a man to be noble, magnanimous, of good manners, mean of stature, complexion ruddy, hair curling, and his superior members greater than his inferiour. In the second House, he signifies manifest riches and manifest gain, good fortune, and the gaining of any thing lost or mis-laid; the taking of a thief, and recovery of things stolen. In the third House, he signifies brethren and kinsmen, Nobles, and persons of good conversation; journeys to be prosperous and gainful with honour: it demonstrateth men to be faithful, and their friendship to be unfeigned. In the fourth House, he represents a father to be noble, and of good reputation, and known by many people: He enlargeth possessions in Cities, increaseth Patrimonies, and discovereth hidden treasures. In this place he likewise signifies theft, and recovers every thing lost. In the fifth House, he giveth joy by children, and causeth them to attain great Honours: Ebasages he rendereth prosperous; but they are purchased with pains, and prayers: He noteth rumours to be true: he bestoweth publike Honours, and causeth a man to be very famous after death: foresheweth a woman with childe to bring forth a man-childe. In the sixth House, he freeth from diseases; sheweth those that have infirmities shall in a short time recover; signifieth a Physician to be faithful and honest to administer good Physick, of which there ought to be had no suspicion; household servants and ministers to be faithful: and of animals, he chiefly signifies Horses. In the seventh House, he giveth a wife rich, honest, and of good manners; loving and pleasant: he overcometh strifes and contentions. But if the Question be concerning them, he signifieth the adversaries to be very potent, and great favourites. In the eighth House, if a Question be proposed of the death of any one, it signifies he shall live: the kinde of death he sheweth to be good and natural; and honest burial, and honourable Funerals: He foresheweth a wife to have a rich dowry, legacies and inheritance. In the ninth House, he signifies journeys to be prosperous; and by land on horseback, rather than on foot, to be long, and not soon accomplished: He sheweth the return of those that are absent; signifies men to be of good faith and constant in their intentions; and religious; and that never change or alter their faith: Dreams he presageth to be true; signifieth true and perfect Sciences. In the tenth House, he foresheweth great Honours, bestoweth publike Offices, Magistracie, and Judgements; and

In the eleventh House, he signifies true friends, and profitable; a Prince rich and liberal; maketh a man fortunate, and beloved of his Prince. In the twelfth House, if a Question be proposed of the quality of enemies, it demonstrateth them to be potent and noble, and hardly to be resisted: But if a Question shall be concerning any other condition or respect to the enemies, he will deliver from their treacheries. It signifieth faithful servants; reduceth fugitives; hath signification of animals, as horses, lions, and bulls; freeth from imprisonments; and eminent dangers he either mitigateth or taketh away.

Fortuna minor in the first House, giveth long life, but incumbered with diverse molestations and sicknesses: it signifieth a person of short stature, a lean body, having a mold or mark in his forehead or right eye. In the second House, he signifies substance, and that to be consumed with too much prodigality: hideth a thief; and a thing stoln is scarcely to be recovered, but with great labour. In the third House, he causeth discord amongst brethren and kinsfolks; threateneth danger to be in a journey, but escapeth it: rendreth men to be of good faith, but of close and hidden mindes. In the fourth House, he prejudiceth Patrimonies and Inheritances; concealeth treasures; and things lost cannot be regained, but with great difficulty: He signifieth a father to be honest, but a spender of his estate through prodigality, leaving small portions to his children. *Fortuna minor* in the fifth House giveth few children; a woman with childe he signifies shall have a woman-childe; signifies Embassages to be honourable, but little profitable; raiseth to mean honours; giveth good fame after death, but not much divulged; nor of lasting memory. In the sixth House, he signifies diseases, both Sanguine and Cholerick; sheweth the sick person to be in great danger, but shall recover: signifies faithful servants, but slothful and unprofitable: And the same of other animals. In the seventh House, he giveth a wife of a good progenie descended; but you shall be incumbered with many troubles with her: causeth love to be anxious & unconstant: prolongeth contentions, and maketh ones adversary to circumvent him with many cavillations; but in process of time he giveth victory. In the eighth House, he sheweth the kind of death to be good and honest; but obscure, or in a strange place, or pilgrimage: discovereth Legacies and Possessions; but to be obtained with suit and difficulty: denoteth Funerals and Buryings to be obscure; the portion of a wife to be hardly gotten, but easily spent. In the ninth House, he maketh journeys to be dangerous; and a party absent slowly to return; sheweth Sciences to be unaccomplished; but keepeth constancy in Faith and Religion. In the tenth House, he signifieth Kings and Princes to be potent; but to gain their powe with war and violence: banished men he sheweth shall soon return: it likewise discovereth Honours, great Offices and benefits; but for which you shall continually labour and strive, and wherein you shall have no stable continuance: A Judge shall not favour you: suits and contentions he prolongeth: A father and mother he sheweth shall soon die, and always to be affected with many diseases. In the eleventh House, he maketh many friends; but such as are poor and unprofitable, and not able to relieve thy necessities: it ingratiate you with Princes, and giveth great hopes, but small gains; neither long to continue in any benefice or offices bestowed by a Prince. In the twelfth House, he sheweth enemies to be crafty, subtil, and fraudulent, and studying to circumvent you with many secret factions: signifies one in prison to be long detained, but at length to be deliv-

In the tenth House if *Via* be found, he maketh Kings and Princes happie and fortunate, and such as shall maintain continual peace with their Allies; and that they shall require amity and friendship amongst many Princes by their several Embassages: promoteth publike Honours, Offices, and Magistracie amongst the vulgar and common people; or about things pertaining to the water, journeys, or about gathering Taxes and Assesments: sheweth Judges to be just and merciful, and that shall quickly dispatch Causes depending before them: and denotes a mother to be of good repute, healthy, and of long life. But if a Question be propounded

concerning the figure of a man, and to this figure if there be joyned any of the figures of *Saturn* or *Rubeus*, it sheweth the man to be monstrously deformed; and that deformity he signifies to proceed from his birth: but if in the fifth House, if he be encompassed with malevolent Aspects, then that monstrosity is to come. In the second House, *Populus* sheweth a mean substance, and that to be gotten with great difficulty: maketh a man also always sensible of laborious toyl: things stoln are never regained: what is lost shall never be wholly recovered: that which is hidden shall not be found. But if the Question be of a thief, it declareth him not yet to be fled away, but to lie lurking within the City. In the third House, *Populus* raiseth few friends, either of brethren or kindred: foresheweth journeys, but with labour and trouble; notwithstanding some profit may accrue by them: denotes a man unstable in his faith, and causeth a man often to be deceived by his companions. In the fifth House, he sheweth no honest Message, but either maketh the messengers to be Porters, or publike Carryers: he divulgeth false rumours, which notwithstanding have the likeness of some truth, and seem to have their original from truth, which is not reported as it is done: It signifies a woman to be barren, and causeth such as are great with childe to be abortives: appointeth an inglorious Funeral, and ill report after death. In the sixth House, *Populus* sheweth cold sicknesses; and chiefly affecteth the lower parts of the body: A Physician is declared to be careless and negligent in administring Physick to the sick, and signifies those that are affected with sickness to be in danger of death, and scarcely recover at all: it notes the decitfulness of servants, and detriment of cattel. In the seventh House, it sheweth a wife to be fair and pleasant, but one that shall be solicited with the love of many wooers: signifies her loves to be feigned and dissembling: maketh weak and impotent adversaries soon to desert prosecuting. In the eighth House, it denotes sudden death without any long sickness or anguish, and oftentimes sheweth death by water; giveth no inheritance, possession or legacy from the dead; and if any be, they shall be lost by some intervening contention, or other discord: he signifies the dowry of a wife to be little or none. *Populus* in the ninth House sheweth false dreams, personates a man of rude with, without any learning or science; In religion he signifies inferiour Offices, such as serve either to cleanse the Church, or ring the bells; and he signifies a man little curious or studious in religion, neither one that is troubled with much conscience. In the tenth House he signifies such Kings and Princes, as for the most part are expelled out of their Rule and Dominions, or either suffer continual trouble and detriment about them: he signifies Offices and Magistracy, which appertain to matters concerning the waters, as about the Navy, bridges, fishings, shores, meadows, & things of the like sort; maketh Judges to be variable and slowe in expediting of Causes before them; declareth a Mother to be sickly, and of a short life. In the eleventh House he giveth few friends, and many flatterers; and with Princes giveth neither favour nor fortune. Acquisitio found in the first House, giveth a long life and properous old age; signifies a *Gain.* man of a middle stature, and a great head, a countenance very well to be distinguished or known, a long nose, much beard, hair curling, and fair eyes, free of his meat and drink, but in all things else sparing and not liberal. In the second House, he signifies very great

riches, apprehendeth all theeves, and causeth whatsoever is lost to be recovered. In the third House, many brethren, and they to be wealthy; many gainful journies; signifies a man of good faith. In the fourth is signified a Patrimony of much riches, many possessions of copious fruits; he signifieth that treasure hid in any place shall be found; and sheweth a Father to be rich, but covetous. In the fifth House, *Acquisitio* signifies many children of both sexes, but more Males then Females; sheweth a woman to be with child, and that she shall be delivered without danger: and if a question be propounded concerning any Sex, he signifies it to be Masculine; encreaseth gainful profitable Embassages and Messages, but extendeth fame not far after death, yet causeth a man to be inherited of his own, and signifieth rumours to be true. In the sixth House he signifies many and grievous sicknesses, and long to continue, maketh the sick to be in danger of death, and other to die: yet he declareth a Physician to be learned and honest; giveth many servants and chattel, and gains to be acquired from them. In the seventh House he signifies a wife to be rich, but either a widow, or a woman of a well-grown age; signifies suits and contentions to be great and durable, and that love and wedlock shall be effected by lot. In the eighth House, if a man be enquired after, it sheweth him to be dead, signifieth the kinde of death to be short, and sickness to last but a few dayes; discovereth very profitable legacies and inheritances, and signifieth a wife to have a rich dowry. In the ninth House he signifies long and profitable journeys; sheweth if any one be absent he shall soon return; causeth gain to be obtained from Religious and Ecclesiastical Persons or Scholars, and signifies a man of a true and perfect Science. In the tenth House, he maketh Princes to enlarge their Dominions; a Judge favourable, but one that must be continually presented with gifts; causeth Offices and Magistracy to be very gainful; signifieth a Mother rich and happy. In the eleventh House, *Acquisitio* multiplieth friends, and bringeth profit from them, and increaseth favour with Princes. In the twelfth House he signifieth a man shall have many and potent enemies; reduceth and bringeth home servants fled away, and cattel strayed; and signifies he that is in prison shall not be delivered.

Joy. *Laetitia* in the first House signifies long life with prosperity, and much joy and gladness, and causeth a man to out-live and be more victorious then all his brethren; signifies a man of a tall stature, fair members, a broad forehead, having great and broad teeth; and that hath a face comely and well coloured. In the second House it signifies riches and many gains, but great expences and various mutations of ones state and condition; theft and any thing lost is recovered and returned: but if the Question be of a theef, it declareth him to be fled away. In the third House *Laetitia* sheweth brethren to be of a good conversation, but of short life; journeys pleasant and comfortable; men of good credit and faith. In the fourth he signifies happy Patrimonies and possessions, a Father to be noble, and honoured with the dignity of some princely office; sheweth treasure to be in the place enquired after, but of less worth and value then is supposed, and causeth it to be found. In the fifth House he giveth obedient children, endued with good manners, and in whom shall be had the greatest joy and comfort of old age; signifies a woman with child to bring forth a daughter; sheweth honourable Embassages, and declares rumours and news to be altogether true, and leaveth a good and ample fame after death. And these are the natures of the figures of Geomancy, and their *tail*. judgements, in all and singular their Houses, upon all maner of Questions to be propounded, of or concerning any matter or thing whatsoever.

But now in the maner of proceeding to judgement, this you are especially to observe; That whensoever any Question shall be proposed to you, which is contained in any of the Houses, that you shall not only answer thereunto by the figure contained in such a House; but beholding and diligently respecting all the figures, and the Index it self in two Houses, you shall ground the face of judgement. You shall therefore consider the figure of the thing quesited or enquired after, if he shall multiply himself by the other places of the figure, that you may cause them also to be partakers in your judgement: as for example, if a Question shall be propounded of the second House concerning a theef, and the figure of the second House shall be found in the sixth, it declareth the theef to be some of ones own household or servants: and after this maner shall you judge and consider of the rest; for this whole Art consisteth in the Commixtures of the figures, and the natures thereof; which whosoever doth rightly practice, he shall alwaies declare most true and certain judgements upon every particular thing whatsoever.
